**The Swartzell Investments**

Are those that do not fluctuate during dry spells? Are they investments that are safe and sound? That depend on trust notes (first mortgage), well secured on real estate in the District of Columbia, "solid" college education investments. They do not depend upon the financial responsibility of individuals or corporations; their returns are not dependent from taxation as personal investments. We can supply such investments in amounts from \$10K upward. Send for booklet, "Commercial Loan secured Investments."

ure 92,000 bales against 105,000 last year. Last week the day spinners' takings were announced by the New York Cotton Exchange at 21.60¢ and 22.00¢ bales for the previous week, and 22.00¢ bales last year. Though spinners' takings of 22¢ in cotton have recently been largely in excess of the year previous, to-day's totals were a surprise to the trade. It is true the loss for the week was
